

Berlin Community School
Mrs. Nasto, Computer Lab Teacher
"Where Learning and Technology Meet!"
MrsNasto.com

Technology Safety Tips:

- NJ Law and School Policies Address "Cyberbullying"
- Monitor the use of Technology & Video games. Setting limits and privacy advised.
- Social Network sites are not recommended for students under 13 years old. Closely supervise and monitor use. **set profiles to private!**
- Remind students not to give out personal information online.
- Protect ears for life ear buds & headphone volume should not be more than 50% or half way. Limit use to 1 hour to protect hearing for life.
- Take care of eyes when using technology devices students should look away every 20 minutes and take a 10 minute break every hour.
- Best practices monitor your child's app use follow them for supervision.

Build Technology Skills
with Computers & iPads
Practice at Home Google Apps,
Apple Apps, Typing.com
The Computer lab is open after
school for students who need
extra help or more time.
